TECH SHARE
February 12, 2013
Triton College, Room M123-A

7:45 – 8:25   Business Committee meeting

8:35   Welcome

8:40   Using Social Media Sites Effectively to Advance Your Career
Mike McGuire, Coordinator, Triton CIS Department

9:25   Different Uses of Social Media and App Search Techniques

10:00   Flipped Classrooms

10:20   Developing Your Own Website and Adding to our Google Sites "wiki"

11:45 – 12:30   Lunch

12:30   Working on your own Website

1:00   Idea Share, all participants – plus favorite Apps

2:00   Wrap Up

Every participant should bring a flash drive, photos, links, an About Me blurb and favorite lesson plans and materials which we can load to the Google Sites and your own website.

We are also anticipating favorite apps and lessons to be shared.
