I. Camps

- Weren't teachers supposed to promote?

II. Triton

- Issue with sped students getting accommodations for placement testing.
- Triton open house and on-site registration are very different. The open house is more for the community and promoting different departments.
- 2 new career programs- Handyman associates degree (night classes) and Landscape associates degree, also an accounting dual credit certificate.
- Will still take scholarship apps.

III. Learning for Life

- No new posts.
- Sailing program started.

IV. Field Trips

- Career safari to promote business tech and family consumer science- West Leyden.
- ATT field trip- West Leyden
- Kendall College- East Leyden
