**Programs of Study Parent Night Last Year?**

Anne wanted to know if any schools did this last year. We discussed how many has been allocated for this presentation at each school. No one was really aware that this was even something to do or an expectation. We need more direction on this and were hoping that this can be included somewhere on the Oct 7<sup>th</sup> Agenda.

**\$500 to spend:**

The group felt we needed some more suggestions. They felt things they have asked for in the past have been rejected. Is this primarily only for buses or can it be used for a speaker, field trip, or some kind of program that all the schools would benefit from?

**October 7<sup>th</sup> Workshop:**

We discussed the agenda and everyone and their departments are looking forward to the day.

**Virtual Job Shadow Demo—Amanda McCann**

Amanda McCann will present this program at our October 17<sup>th</sup> meeting. We are currently finalizing the details.

**Triton Updates:**

- Turnover in Admissions and Dual Credit (both areas currently unstaffed)---if you have any questions right now contact Zach or Amanda Turner.
- Future Focus—Next year hoping schools encourage more junior students to attend.
- December Grads—registration opens in November—make sure they take the placement exam.
