Establish 2015-2016 Goals:

1. Increased communication between the High Schools and Triton with a focus on Dual Credit and the new potential cohorts.
2. Committee receiving some career related professional development (roundtable) and then using that information to help guide our students.
3. Promote career presentations at each school and the small field trips to business partners.
4. Programs of Study—continue to use and promote the website with our students.

Career Cruising Follow Up

An email from the Career Cruising rep was forwarded to the Student Services Committee. The committee expected webinars at each school, which have not taken place yet. The schools that are still interested will reach out to her.

Upcoming Roundtables

The committee loves the roundtable idea and is anxious to hear about the different industries and what they have to say. We are looking for a centralized location. Mike will contact some places and set something up.

Triton Updates

Super Saturday One Stop Registration will be held on January 9th

December 9th will be a registration for early grads

Funds are very tight at Triton as they have not received their state budget money yet

Dual Credit Updates

Devin did not attend the meeting, so there were no dual credit updates.
