### **2016-17 Goals:**

Goals that were established for the 2016-17 school year:

1. Continue increasing communication between high schools and Triton college with a focus on Dual Credit
2. Continue receiving career related professional development through roundtable discussions from industry professionals and using that information to help guide our students.
3. Continue to use and promote Programs of Study with our students.
4. Further develop a relationship with the Explorers program to help maximize our student's exposure to local career posts and giving them career related opportunities.
