

DVR Technology & Engineering Education Committee

Meeting 3- Thursday, ~~Feb. 14, 2019 9:00 AM – 11:30 AM~~

OPRFHS, Room 194 or TBD (another school to host)

Date and Location Change to East Leyden HS, March 21, 2019,

Room 161 11:00 AM – 1:00 PM

Our goal is to have at least 1 representative from each school at every meeting in order to facilitate communication and help support each school through our interactions with Triton, DVR, and the requirements of our programs in educating our students.

Automotive Technology

Attendees- David Weishaar (RB), Paul Potvin (East Leyden), Jeff Clarke (West Leyden), Ryan VenHorst (OPRF)

AGENDA

Snacks and Introductions

General Information

Advisory Councils-

The auto programs in each district are informally partnered with several local auto repair shops where students are getting employment opportunities and the connections with the high schools are continuing as they have in the past.

Enrollment/Registrations in TEE at each school

Enrollment information is just now being discussed at each school as the sectioning numbers are being solidified.

Current Course Offerings in Automotives

Enrollment by school

Leyden- East, 7 section West, 7 sections

Riverside-Brookfield- 4 sections

OPRF- 4 sections

Current Trends in the Industry and Classroom Adaptation

Continued push to move toward more electric power in the industry in both personal and commercial vehicles.

Discussion on the limitations of range still hold back implementation.

Outlook Information (Career, Internships, Education, Certification)

Leyden- Valvoline Ignition Program, a few students working at local oil change facilities and one working at the Leyden Township facility.

Riverside-Brookfield- there are students working at Riverside Garage and a few other local connections.

OPRF- No specific certs or internships at this time

Equipment Needs by school

Leyden- 2 Autel Scantools

OPRF- ATech Trainer

R-B- Autel Tire Pressure Monitoring System (TPMS) Tool

Dual Credit Enrollment

Curriculum discussion among all member schools and offerings

There are no current dual credit offerings for automotives.

Business/Post-Secondary Partners

Triton is still offering trainings for the teachers and several schools are planning to attend.

Other

Tour of the Leyden Facilities led by Paul Potvin.
