**2019-20 Goals:** 1. Continue increasing communication between high schools and Triton College with a focus on Dual Credit. 2. Continue receiving career related professional development through roundtable discussions from industry professionals and using that information to help guide our students. 3. Explore additional/new college and career software solutions (i.e. Xello) that may be more beneficial for our students. 4. Increase counselor knowledge and exposure for students interested in the trades but taking part in experiential learning (site visits) opportunities for counselors, staff, and students.
