

FACS Year End Report
School Year 2019-2020
By. Jackie Morris

Culinary Arts - September 27th, 2019 & February 21st, 2020

Meetings Attended by: OPRF, Leyden East/West, Riverside-Brookfield, Proviso East/West, Triton & NServe

1. DVR Updates

- High School students can come and shadow Triton students on Wednesdays during their dinner service. Bring a parent and eat as well. Let Chef Denise know. Come in uniform.
- No changes to Teacher Qualifications to be Dual Credit Teacher Everyone should be approved. Let Chef Denise know if that is not true

2. Triton Dept Update:

- Triton Campus Wide Assessment and Campus Wide Curriculum Changes.
 - Denise revamped the entire curriculum. Changes made were from old course outlines to new format. This is due to Higher Learning Commission. Curriculum changes are done for courses and degree programs.
 - Denise will forward the changes that were approved to Jackie
 - These changes will need to be reflected in your syllabus/course outlines. Any changes that you make send syllabus changes to Tim Nystrom
 - Culinary degree has less credits needed now. Shorter classes are now offered as non credit which makes them cheaper. Great option for elective options.
 - Go online to see curriculum under faculty resources to see new outlines. Nothing for Dual Credit changing. But you can check there if interested.
- Triton Alumni event April 15th 5:30-7:30, all are invited (Canceled)

3. Susan Mendoza Healthy eating event:

- This initiative started by Judy Bard Topeka, continued on with Susan Mendoza.
- The healthy eating event is to promote healthy eating, started with young kids, now they want teens/young adults.
- Students are required to have a Culinary uniform (chef coats, chef type hat, culinary shoes or gym shoes) is required. They would also like some sort of school spirit under their chef jacket (school tshirt?).
- Mendoza will be participating and cooking.
- Executive chef from Lowes Hotel will be in attendance.
- Food is donated by Hotels and Testa produce.
- Students will be making salad/appetizer/entree or dessert.
- Marketing class is making triton aprons for all participants and they will get a certificate.
- Students will eat what they make. Parents are invited to watch live stream in cafe 64.

4. Triton Cook-off - Chef Denise

- Triton Culinary Cook Off: Friday, April 24th 2020 (CANCELED)

- Prizes: 1st place: 3 credit hour class, kits, 2nd place: baking & pastry kit, 3rd place: fruit carving kits
- ingredient list will be sent out prior to competition, butchering component again. Same format as in previous years.
- Parents are invited. It will be streamed in Cafe 64.
- 6 teams total.
- Check-in at 9am. Tours of kitchens and rules follow. Starts around 10.

4. ServSafe Recertification

- We could use perkins dollars for the training, can budget it for the future year.
- PROCTOR License is what we need to teach the curriculum.
- Students need Managers Ilcense from Serv-Safe to waive the intro class at Triton. If they do not hold that, they will have to take the intro course.

Early Childhood Education - November 6th, 2019 & March 10th, 2020

Meetings Attended By: Triton, OPRF, Leyden East/West, Proviso (East/West, Lewis University, SIU, NIU, National Lewis

1. Triton Department Update

- Course Revisions: Revisions were made to all of the curriculum. Course Descriptions were tweaked, Syllabus' were updated, Textbooks replaced. Ally will communicate any new learning objectives, changes will happen in the Fall. Ally will be in touch with the high schools.
- Evaluation of Student Disposition: Triton is going to start looking to implement this into the intro classes, to start sooner rather than later. May adopt a rubric from Gateways to Opportunity. Triton is looking for Dual Credit intro classes to possibly adopt this as well so high school students get this as well.
- Changes in Observation requirement
 - Every course will have some sort of observation
 - 111 will have 5 hours, guidance will also have hours now
- Changes in EDU pathway
 - Worked with Triton counselors to streamline the pathway. With all of the electives they only kept Diversity class.
- New Articulation Agreements
 - New agreements are finished with Dominican, National Louis, NIU
- Program Recruitment and Marketing
 - Dual Credit is one pipeline for program recruitment
 - In the fall Edu Dept is looking to hold a large Dual Credit event "open house"
 - They will reach out with more information to Dual Credit Teachers
 - Dual Credit Fall 2019-Spring 2020. There was 298 enrollments in ECC and EDU
 - Students enrolled in Dual Credit saved \$75,000
- Education Club : Triton took a survey, 87% of students enrolled in Triton EDU wanted this club. High Schools have; Leyden has Future Teachers of America, OPRF is looking into having this club. With the new Perkins 5 legislation, CTE classes must have a club (Fred)
 - Had first meeting, pizza social

- First guest speaker, a speaker from WSSR will speak on disabilities
- More Triton Changes
 - Looking into more online ECC courses. The need is there.
 - Tinkering Lab is being discussed for students and children of the daycare.

2. DVR/Dual Credit

- Changes to dual credit offerings: Triton removed courses not aligned with credentials. They also had small enrollment numbers, so it was decided to remove them. ECE 151, ECE 152
- ECE 111 is a great class to start with if you have no dual credit
- EDU Dual Credit Offerings include EDU 105, EDU 110, EDU 206 (in Leyden High School)... They are thinking about offering EDU 200 (Intro to Special Ed) for Dual Credit starting next Fall
- All courses (ECE & EDU) were realigned with Gateway outcomes. Changes will occur in Fall 2020. There will be an Increase of assessments (These will be shared out to HS teachers) and observations hours will be increased, but some courses will have less hours needed (ECE 111).
- Academic senate at Triton is voting today about entrance exam for dual credit
 - Tim hopes this will be approved and removed
 - Entrance exams will only be needed for Degree seeking students or placement benchmarks. Most ECE dual credits won't need entrance exam
 - Separate dual credit application is online, different from Triton application.

3. High School student visits:

- Triton already held 2 visits this year. If interested reach out to Angela or Ally. The two high school visits occurred on October 16th and November 5th.
- Ally asks if you want to bring your class please email way ahead of time.
- They can provide an admission talk, and education tour

Medical Careers- September 27, 2019 & February 21st, 2020

Meetings Attended By: Jackie Morris (OPRF), Pam Harmon (Triton), Leyden East/West

1. Tours of Triton College

- They love to have high school tours, they want our students!
- Leyden is coming in a few weeks. 36 students. To look at the program options.

2. Problems in the Schools

- Shadowing Problems
 - Leyden is losing partnerships with Gottlieb Hospital.... Change in leadership from the hospital is leaving problems for the Medical Careers class
 1. They go twice a week for 1 hour for 8 weeks.
 2. American Hip institute is new partnership but only 3 students go at a time
 3. Brainstormed solutions to how to get kids in the hospitals to see the careers
 4. **Advisory Committee needs assistance with these partnerships from DVR**

3. Triton Updates

- Curriculum has been revised.
- New section of sterile processing at triton.
- Figuring out more ways to recruit EMT & Nursing Assistant students

4. Needs for your programs/Future meeting options

- Leyden would like to visit OPRF Lab this semester. They would like to see what it looks like, they would like a similar program, get advice, etc.
- Jackie will reach out to Matt Kirkpatrick at OP and teachers to set up meeting/collaboration
