

**DVR Meeting
October 14, 2021
Health Services/Medical Minutes
Zoom**

1. Attendance: Michael (DVR Director), Pam (Triton), Ellie, Leslie (Leyden), Jackie (OPRF)
2. Where is your school at?
 - a. Leyden: No onsite learning this year. Looking for Triton to help out/guest speak to give onsite training/tutorials to fill the gap.
 - b. OPRF:
3. Michael Update:
 - a. Use p-20 Network as a resource!
 - b. Use Triton as a resource for higher education for high school students. To cover what the high schools can cover.
 - c. Certificate programs for the students is an option
 - d. Junior Achievement is a great resource for guest speakers
4. Triton Update
 - a. Information sessions to help get careers out are coming up..... Students do not know about all the different options. What are they going to do with their life?
 - i. Information Session Dates: **attached to this minutes email**
5. Dual Credit Update
 - a. No replacement for Tim yet. Start entering mid-term grades NOW in Triton portal!
6. Top 10 Cross-Sector Essential Employability Competency Statements... aka Soft Skills
 - a. <https://www.isbe.net/Documents/EDS-PWRARreport.pdf>

TOP 10 CROSS-SECTOR ESSENTIAL EMPLOYABILITY COMPETENCY STATEMENTS	
Teamwork & Conflict Resolution	Students can use their understanding of working independently and others to complete work assignments and achieve mutual goals.
Communication	Students can use their understanding of speaking and writing to share, explain, describe, and persuade. Students can use their understanding of listening to understand and respond to others. Students can use their understanding of reading, direct and indirect, and present their information. Students can use their understanding of digital technology, word processing, and digital media to create and share their ideas, opinions, and professional content.
Problem Solving	Students can use their critical thinking skills to generate and evaluate solutions as they relate to the needs of the team, customer, and company.
Decision Making	Students can use their understanding of problem-solving to implement and communicate solutions.
Critical Thinking	Students can use their understanding of logic and reasoning to analyze and address problems.
Adaptability & Flexibility	Students can use their understanding of variation, change, and capacity to be open to new ideas and handle ambiguity.
Initiative & Self-Starter	Students can use their understanding of goal setting and problem-solving to achieve their goals.
