2021-22 Goals:

We discussed as a committee our goals for the 2021-22 school year:

1. Continue increasing communication between high schools and Triton College with a focus on Dual Credit and CTE.
2. Continue receiving career related professional development through roundtable discussions from industry professionals and using that information to help guide our students.
3. Increase counselor knowledge and exposure for students interested in the trades but taking part in experiential learning (site visits) opportunities for counselors, staff, and students.
4. Create a running list of courses that Triton needs to run based on student interests.

Triton College Updates:

Trustee Honors Scholarship will now be automatic if a student is in top 10% or has a 3.35 GPA. March 4 there will be an Educational Symposium from 1-3. Ken will send us info. There will also be a Health Careers Expo on April 21st and will have 30 minute breakout sessions. April 13 there will be a Business/Hospitality/Auto Career Expo. Counselor Luncheon on April 8th. There will also be a date in late April for each school to bring their students to Triton.

Culinary Arts and Hospitality Programs:

Michael Kuhn wanted to use this day to highlight the culinary arts program and had a couple of those involved in the program speak to us. The program showed how the students cooked the food and also served us. The goal of the meeting was to give us an opportunity to experience the program first hand.

Career and Technical Education/DVR Updates:

Michael Kuhn stated his goal is to have a Tech Campus up and running by 2023-24.
